

THE ALPARGATA EXPERIENCE

If you are the type of traveller who really wants to contact with locals, this is your opportunity!!!

For more than 150 years, everyday, right after the running of the bulls, at the private club "NUEVO CASINO" this amazing dance takes place. We call it dance, and yes you will dance, but there is much more to it. For us, locals, it is the place where you get to meet your friends who are working away from home, it is where you meet your grandma after a fun night (and she checks your breath) it is the place we call home.

What does "alpargata" mean? The "alpargatas" are what you call espadrilles shoes. You have to understand that the very strict rules of this club, only allowed men in the club being perfectly dressed and of course wearing leather shoes. This type of shoes is useless if you are being chased by six bulls, so the gentleman would change to espadrille ones that are much more comfortable. After the run, it is the moment to celebrate and this dance is the perfect moment to do so. As you can imagine, those gents didn't change their shoes, and they would dance with the "alpargatas" This is why we call it the "Alpargata dance"

If you want to be where Nobel prize winners, actors, actresses, politicians and specially locals, meet, contact us. It will be a memory for the rest of your life!!!
